Hi Bettie - I have to put in a PO for the shipping/handling of cigarettes for the LT Study in Phoenix. I need to know how much longer we are planning on keeping this test running in Phoenix. Will we stop it mid year, which would be about a 12 month study? Please let me know as soon as you can so I can try to figure out how to do this in PM Buyer. I am out for the rest of the year starting 12/16.

Thanks.
